178	Are all drugs bad?	No		
178	Can a good thing become a bad thing?	Yes		
178	How can you make good choices and live the healthy lifestyle God wants you to live?	See Teacher Margin on p 178		
178	What would you do if your friend found a pill and wanted to take it?	See Teacher Margin on p 178		
180	Why would anyone want to try any of them?	Some people think it will be fun to take them. Some want to take them because they think every one else is. Some may want to take them as an escape from things they do not want to deal with. One of the most common reasons is because they are curious.
