Human Body			
Chapter 6 Lesson 1			
Page	Question	Answer(s)	Links/Sources
188	Why do you think God wants people to wait until marriage?	Because sexual intercourse is something that God designed for only a married couple to do with each other as something special for them. Also, it can cause for a baby to be created and a decision like this should be made between a married couple who are ready for the responsibility of a baby.	
188	How long do you think the division of cells conti	Sample answer: Until the embryo reaches the uterus.	Pg. 188, 2nd paragraph
189	Why do you think it is important for a pregnant woman to avoid alcohol, cigarettes, and non-prescribed drugs, as well as certain medications?	Smoking during pregnancy causes for the nicotine and poisons to travel through the mom's bloodstream directly to her developing baby. This can cause for the baby to get less oxygen and for it's heart rate to increase. Drinking alcohol during pregnancy causes for the alcohol to go to the fetus and can cause damage to the major organs as well as birth defects.	Teachers Edition pg. 188 & 189 (Healt
189	How might a mother feel when she feels her baby move for the first time?	She may feel happiness and feel like there actually is a baby in there.	
189	Where in the Bible does it talk about a baby moving in the womb?	Luke 1:41 - When Elizabeth heard Mary's greeting, the baby leaped in her womb; and Elizabeth was filled with the Holy Spirit.
