

## Grade 5

### Human Body

#### Chapter 7 Lesson 3

Page	Question	Answer(s)	Links/Sources
226	In Daniel 1, Daniel and his friends did a health trial for 10 days. What did they do?	They only ate vegetables and drank water for 10 days while the other boys ate everything the king gave them.	
226	What were the results?	"At the end of the ten days they looked healthier and better nourished than any of the young men who ate the royal food." Daniel 1:15	
226	How can you apply these principles to your health habits?	By trying to eat more vegetables and stay away from any unhealthy foods and drinks.	
226	How did Ellen White know so much about health?	Ellen White received counsel from God about health.	Teachers Edition pg. 226 (Science Background)
232	Can you think of a time when a group of people was treated unfairly?	Yes, during slavery and unfortunately still to this day black lives are many times treated unfairly simply due to their race. Many times women are also mistreated because of their gender and also people who are financially poor also get mistreated for not being able to afford certain things.
